Max recommended washing temp.: **50°C**

(D)

(E)

(F)

(G)

(A) Rappresenta il nome indicato dall'azienda per definire il prodotto in vendita: al fine di ridurre il più possibile il rischio di errore, vi invitiamo nel trasmettere un ordine, ad inserire anche la dicitura completa.

Is the name given by the company to define the product for sale: in order to reduce as much as possible the risk of error, we invite you to send an order with all the word's description.

(B) È il codice di gestione aziendale del prodotto, che dovete usare quando volete trasmettere un'ordine.

Is the code of business management product, which you have to use when you palce an order.

(C) I prodotti Taxon che contengono questa indicazione possono subire durante la loro vita operativa alcuni lavaggi per l'eliminazione dello sporco accumulato e per renderli nuovamente idonei all'attività preposta: la temperatura consigliata è la massima sostenibile dal prodotto in oggetto; superandola si compromettono le caratteristiche tecniche e di durata del prodotto stesso.

Taxon products containing such information are subject to during their working life for a few washes to remove the dirt and built up again to make them fit for the authority: the recommended temperature is the maximum sustainable investment product, surpassing its features are compromised technical and life of the product itself.

(D) Rappresenta il peso standard (in altri casi ad esempio le frange, è indicata la lunghezza standard, o nel caso dei carrelli le dimensioni standard) del prodotto in vendita; la tolleranza ammessa in produzione è di + / - 5% del peso standard.

Is the standard weight (in other cases, such as dust-mops, shows the standard lenght, or in the case of trolleys the standard size) of the product sale, the tolerance allowed in production is + / - 5% of standard weight.

(E) I colori: ogni prodotto che contiene questi simboli può essere venduto nei colori indicati; nel caso in oggetto se vogliamo comprare il mop cotone extra da gr. 280 con il rocchetto verde dobbiamo indicare il seguente codice: 104 02.**V**.

Colors: any products that contains these symbols can be sold in the colors shown, in this case if you want to buy extra cotton mop gr.280 with a green spool you have to use the following code: 104 02.**V**.

(F) La confezione: ogni nostro prodotto è venduto all'interno di imballi in cartone assolutamente gratuito per il cliente e garanzia di corretta conservazione e qualità; il numero indicato indica la quantità di pezzi singoli contenuti nella confezione standard.

The package: our product is sold in cardboard packaging absolutely free for the customer and ensuring proper storage and quality, the following number indicates the amount of individual items contained in the standard package.

(G) Prezzo: il prezzo indicato nel nostro listino è sempre in € ed è il prezzo di mercato che Taxon consiglia per la vendita del prodotto all'utilizzatore finale. Nel nostro listino il prezzo si intende sempre per singolo pezzo.

Price: the price shown on our list is always on € and is the market price Taxon recommended for selling the product to the end user. In our list, price is considered at each piece.
